## About Hindalco Everlast Aluminium Roofing Sheets

Hindalco Everlast is India's leading brand of Aluminium Roofing Sheets. Manufactured by Hindalco Industries Ltd., the world's largest Aluminium Rolling Company and the metals flagship of the Aditya Birla Group, Hindalco Everlast is the preferred choice for industrial and residential applications. Hindalco Everlast is available in a wide range of colours and profiles like circular corrugated, trapezoidal and tiled. Hindalco Everlast Roofing Sheets are aesthetically pleasing and of best-in-class quality. Hindalco Everlast Roofing Sheets do not rust, have excellent thermal properties which keep interiors cool, have a high resale value and are 100% environment-friendly.
